

# SKILLS ASSURANCE

Part of Petrofac group

HSSEQ Library Courses

## HSSEQ Library Courses

Abrasive Wheels and Grinding Operations

Asbestos Awareness

Atmospheric Emissions

Authorised Gas Tester: All Levels (7x Modules)

Authorised Gas Tester: Level 1 (6x Modules)

Authorised Gas Tester: Level 2 (6x Modules)

Authorised Gas Tester: Level 3 (6x Modules)

Banksman and Slinger Roles in Lifting Operations: Full Suite (5x Modules)

Barrier Management and Well Integrity

Behavioural Safety

Benzene Awareness

Chemical Releases and Chemical Management

Compressed Gas Cylinder Safety Awareness

Confined Space Entry

Control of Substances Hazardous to Health (COSHH)

Crane Safety Awareness

Dangerous Goods By Air Awareness (HCA Accredited)

Dead Jed

Display Screen Equipment Awareness

Double Block and Bleed Simulator

Driving Safety Awareness

Dropped Object Awareness

Dynamic Dropped Object Awareness

## HSSEQ Library Courses

Electrical Isolations

Electrical Safety Rules

Environmental Awareness

Fatigue Management

Food Hygiene

Forklift Truck Safety

Fundamentals of Drilling: Module 6 - BOP Control Systems

Gail's Shoes

Hammer Unions (2x Modules)

Hand Arm Vibration Syndrome (HAVS)

Hand Awareness

Health and Safety at Work for Employees

Hydrates Awareness

Hydrogen Sulphide Awareness

International Ship and Port Security

Legionella Awareness

Life-Saving Rules

Lifting Operations and Lifting Equipment Regulations (LOLER)

Line of Fire

LNG: Module 01 - LNG Facilities

Lock-Out Tag-Out Awareness

## HSSEQ Library Courses

Malaria Awareness

Manriding

Manual Handling

Marine Debris Awareness

Mechanical Isolations (2x Modules)

Mercury Awareness

Methanol Awareness

Minimum Industry Safety Training (MIST) Further Online Training (OPITO Approved)

Naturally Occurring Radioactive Material (NORM)

Nitrogen Safety

Noise Awareness

Offshore Induction

Oily Discharges and Releases to Sea

OPEP Level 1: Offshore On-Scene Commander

Permit to Work Systems

Personal Protective Equipment

Potable Water Offshore: Full Suite (9x Modules)

Pressure Safety (2x Modules)

Pressure Testing

Process Safety: Full Suite (7x Modules)

Provision and Use of Work Equipment Regulations (PUWER)

# HSSEQ Library Courses

Quality

Refineries and Refining

Risk Assessment

Root Cause Analysis

Safety Observation Systems (2x Modules)

Safety Representative Refresher

Security Management Systems (SEMS)

Slips, Trips and Falls

Terrorism Response Awareness Program

The Loss Adjuster

Toolbox Talk

Unconscious Bias

Waste Management

Working at Height Awareness

Working Over or Near Water
