

SKILLS ASSURANCE

Part of Petrofac group

Technical Library Courses

Technical Library Courses

Audits and Inspections

Basic Maths (3x Modules)

Batteries

Bolted Joint Awareness

Boyle's Law

Chemical Cleaning (3x Modules)

Coiled Tubing: An Introduction

Coiled Tubing: Equipment

Control Valves

Controlled Bolting

Electricity (2x Modules)

Electronics

Fittings (2x Modules)

Fracing

Fundamentals of Drilling: Full Suite (4x Modules)

Hoses

Human Factors

Hydraulics (2x Modules)

Instrumentation on P&IDs

Leak Detection

Liquid Nitrogen Pumping (2x Modules)

Technical Library Courses

Liquid Nitrogen Storage (2x Modules)

Lithium Battery Awareness

LNG: Full Suite (12x Modules)

Manually Operated Valves

Metering

Oil and Gas: Full Suite (9x Modules)

Pigs and Pigging

Pipeline Filling Calculations

Pipeline Hydrotesting Calculations

Piping and Instrumentation Diagrams

Pneumatics (2x Modules)

Pressure Relief Safety Valves

Process Distillation

Process Flow Diagrams

Process Measurement

Process Safety Shutdown Systems

Pump Basics

Small Bore Tubing

Three Phase Separation Awareness
